

3900 Club Minutes

From the 10/6/23 meeting at Pizza Ranch

Board members present, Randy Prez, Tom S/T, Clay & Doug Directors

3 or 4 members present but did not get them recorded but nothing much discussed but small meeting so not an issue.

The only things brought up was I (Tom) am going to get a new tote for Hamboree records and supplies and money boxes the current one is to small. If one can't be found to meet the bill we may just get another one like we have and use it for money boxes and supplies and use the current one for paper work and stuff to be put on the tables. Speaking of which I am also going to replace the picture frames that some signs are in as the stands got broken.

Meeting adjourned and a nice dinner was had by all.
