

For the life of the club.

As all are aware or should be the Hamboree is our only source of income. If you can't make Hamboree we are asking if you can donate your \$7 admission for the good of the event and the club. This is strictly voluntary. Now that does not mean you can't make a general donation to the club in some other amount. Any donations can be sent to the club address below or you can use PAY PAL just use wd0bfo@gmail.com to send funds to friends and family as just send cash don't say for goods or service that will generate a fee. If you send a check make it out to:

3900 Club

and send it to the following address:
